### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 1-6,9,26-30 and 39-42 are allowable over the prior art because none of the prior art documents discloses or suggests the claimed unsaturated dihydroxy compound having a specific formula in the claimed method of making a flexibilized resorcinolic solution and in the claimed vulcanizable rubber composition comprising said novolak resin.

Claims 31-38 and 43-46 are also allowable over the prior art because the closest prior art, Johnson, discloses the same reactants but use a basic condition in step (b), to form phenolic resole resin, instead of novolak resin, using acid condition, in that step.

Therefore, claims 1-6,9 and 26-46 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duc Truong whose telephone number is 571-272-1081. The examiner can normally be reached on Monday-Friday.
